DDA 84-0046/24  
22 June 1984

MEMORANDUM FOR: Director of Central Intelligence

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 22 June 1984

1. Progress reports on tasks assigned by the DCI/DDCI:

None.

2. Items/events of interest:

a. Quality of Life: The entire ground floor area and the basement C elevator area will be retiled with Armstrong Excelon floor tile. Cork color will be used on the ground floor and paprika color in the basement. Work should be completed by 2 July.

b. Construction of hydraulic barricades has begun at the Route 123 entrance to Headquarters Building. The George Washington Memorial Parkway entrance and DCI garage area will follow. Work should be completed in 30-45 days.

25X1 c. We are meeting with the Corps of Engineers on 27 June to develop plans for the design of a three-building expansion at [REDACTED]  
We estimate construction costs to be \$9,000,000.

d. New Building Project:

(1) Fencing around the construction site is scheduled for completion next week and site clearance for the security checkpoint will begin.

(2) The pending traffic management agreement between CIA and the State of Virginia and the beneficial impact of the agreement was presented to the Agency Traffic Advisory Committee.

SECRET

(3) A hearing will be held on 28 June before the National Capital Planning Commission which will focus on and obtain the approval of offsite road improvements and onsite designs. Some press coverage is expected.

25X1

f. Congressmen Mazzoli and Whitehurst have introduced legislation which will give CIARDS spouses divorced before 1982 the same benefits as those included in the legislation providing benefits to spouses of CIARDS annuitants who were divorced after 1982. A similar type bill is being considered which applies to the Civil Service at large as it affects survivor benefits to former spouses. The Office of Personnel is monitoring both bills.

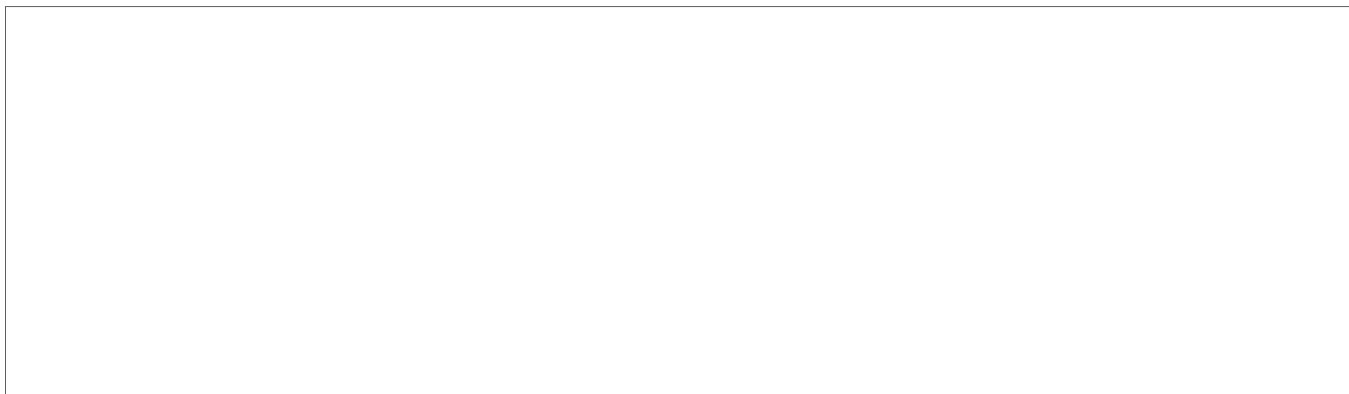

g. Excellence: A former Agency employee wrote to the Office of Personnel thanking them for providing him needed assistance in moving from Los Angeles to Washington, D.C. in 1982. Although he left in 1983, he stated that the Retirement Branch, OP, must be considered one of the Agency's most valuable bridges to the world outside in its efforts to assist him in securing a position in the scientific community when he left the Agency.

25X1

j. The Office of Training and Education recently completed production of a videotape entitled "Forces of Change" for Dr. Bruce Merrifield, Department of Commerce. The tape focuses on some of the major forces in the world that are restructuring not only the U.S. economy but the world economy as well. The request for this tape was sent to the Agency (through the DCI) from the Department of Commerce earlier this year.

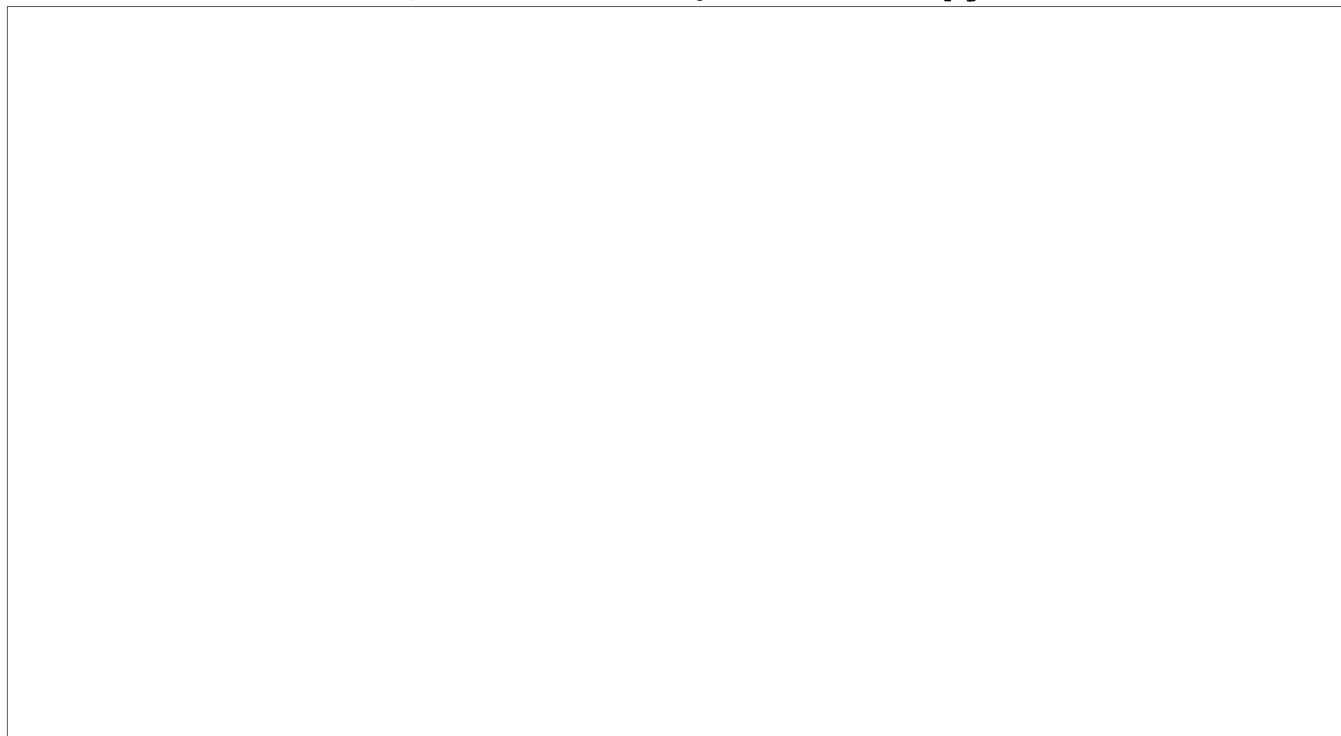

SECRET

25X1

m. Representatives from the Federal Bureau of Investigation and IBM Corporation visited the Office of Data Processing to discuss our hardware and teleprocessing configuration in preparation for a planned FBI upgrade.

25X1

3. Significant activities anticipated during the coming week:

None.
